Summary

I am a Practical knowledge seeker and a Quick Learner. To work in an environment where my skills and knowledge reflects the growth of the company and a highly-motivated employee with desire to take on new challenges. Web development is a place where we can practically change the world with new possibilities. To make it possible some skills I learnt like NodeJS, ReactJS, Express,MongoDB, HTML, CSS, Javascript, C, C++ and data structure and algorithm. I am quickly mastering new skills.
